Coles 'SPORTS for SCHOOLS' Vouchers

Thank you very much to those people who have been collecting and submitting the vouchers to the school. It is very much appreciated. We had one student submit 126 vouchers (representing \$1260 of Coles shopping) ... she informed Mr Godby that she had enlisted the help of her extended family as well! What a great effort and an excellent demonstration of school spirit! A reminder that the Coles voucher promotion is continuing for the remainder of October. Can students please submit any vouchers that have already been collected to the C block staffroom or the front office? Remember that the vouchers are used to purchase more sports gear for our wonderful students.

SUSHI NOW MADE ON THE PREMISES AND ALL EGGS FREE-RANGE!

Our canteen staff are now making their own **sushi rolls** on the premises every Thursday from fresh ingredients.

They have also decided to only use **free-range eggs**.

The chicken in the chicken schnitzel roll is breast fillet only, the bread is whole meal and greens are added to each roll.

Most hot meals and rolls served in the canteen are made on the premises from fresh ingredients.

The staff even make their own mayonnaise and banana bread. The shepherd's pie and the macaroni and cheese have developed into winter favourites.

As a parent you can rest assured that your children receive a nutritional and healthy meal when they buy their recess and/or lunch.

Your children can pre-order their meals before school or at recess so there's no wait when they pick it up at lunchtime. They only need to go to the right window and tell staff their name. Their meal will be waiting for them.

As the canteen is run by the P&C it is important to know that **all profits made at the canteen go straight to the P&C and then directly to the school** to purchase equipment and additional teaching resources as requested by the school executive.

This year alone we have purchased three interactive whiteboards, a new curtain and spotlight for the stage in the hall and resources for the support class. We have also financially supported the musical and the debating program.

We are always looking for volunteers to help our paid canteen staff for a few hours a day on a weekly, fortnightly or monthly basis. The money this saves us adds to the canteen profits. If you have some time to spare please ring Ann our canteen manager on 9301 0359.

Please support our canteen. Encourage your child to try some of our delicious food.

Regards

P&C and canteen staff
